Annette,

Here is a draft one pager Dan Cullen of my team has pulled together summarizing our testing results for the two 2017 MY Sprinter vehicles we have been testing. Our testing is not yet complete, but should be done by the end of the week. The results are for a Class 2b 3.8 ton vehicle and a Class 3 5.0 ton vehicle. I don't have Mike and Tom's email address, so please share this with them as well.

Let me know if you have any questions.

Thanks,
Linc
